Supplemental Budget Narrative Table FY18 Only \$K

Workforce (the mission may itemize by center, but not required).

Note: this sheet has <u>4</u> workforce categories, NASA CS FTEs, JPL WYEs, WYEs and Other WYEs.

The previous workforce definitions still apply, in this sheet the JPL WYEs should be shown on their own line.

WYE= Near or On Site

Other WYEs: Offsite contract workforce (such as LASP workforce for SORCE, U.Texas for GRACE)

FTEs and WYEs only - FTEs and WYES in Tables II, IV and V should match

<u>Budget:</u> The mission may itemize by center, but not required.

C.S. Labor cost: Consider itemizing by Center, Instrument, etc.

Travel: Consider itemizing by type, e.g. Conference, Science Team Meetings, Program meetings, etc. Includes C.S. travel only summarize as you choose.

Contracts: List each contract, company/institution, work scope, include fully loaded labor, travel & materials/other purchases

Grants: List each university, work scope, annual cost

Materials and other Purchases: Summary estimate, group as appropriate-include items directly purchased-supplies etc (in other words, not through a contract
